## Webclock User Guide

### About Webclock

The Webclock Application has been developed to utilise the basic functions of OnTime on authorised fixed devices (tablet) to enable frontline staff to sign on and off from shifts.

OnTime and Webclock share the same log in credentials, and these can be used interchangeably.

### **First Time Users**

**For first time users who have not previously used OnTime or Webclock:** To log into Webclock you require an Employee ID and your Wilson Security password to create a 4-digit PIN.

If password is forgotten, you will need to reset the password first before setting up a 4-digit PIN.

The 4-digit PIN can then be used for subsequent logins.

Log in	Employee ID (eg, 012345 or 123456) Note: If you have a 5 digit ID, add a 0 in front
Password	Same as used for Younity
PIN	Set up PIN

## Return Users – including OnTime users

For return users and staff who have previously used OnTime, you will be able to log into your Webclock account by entering your Employee ID and PIN (created during their first time use of WebClock or the same PIN as created when using OnTime).

Log in	Employee ID (eg, 123456)
PIN	PIN as set up for OnTime or as a first time user

## Log In Screen

	<b>W</b> W	ilson	Securi	ty							Mc	onda	ıy 23	Augı	ust O	9:41										Web	Cloc	k	
			1	Er	nter y	/our	emp	R	e ID	⑦ my Pl		2	First	inter time	your	PIN	⑦	'IN he		4	Log								
$\odot$			÷				GIF	)			,	То				Ē	9			,	Ļ				ŧ	¢			*
	1		2		3	#		4	1		5	%		6			7	8		8	*		9	(		0		Del	
(	Q		W		Е			R			т			Y			U			I			0			Ρ		$\bigotimes$	
		A		s			D			F			G			н		,	J		ł	<			L		(	Go

						111								0								$\sim$						1021	

Frontline staff will be met by this screen on the authorised device when they arrive to sign-on to a shift.

To log in:

- 1. Enter Numeric ID (eg, 123456 or 012345) in the '*Enter your employee ID*' field. Note: If you have a 5 digit ID, add a 0 in front.
- 2. Navigate to the 'Enter your PIN' input area
  - a. Have a PIN: Enter 4 digit PIN as previously set up in OnTime or Webclock
  - b. Don't have a PIN: If user does not have a PIN set up, click the '*First time user*? *Create a PIN here*' button
- 3. If you have forgotten your 4 digit PIN, click on the 'Reset my PIN' button.
- 4. If you are a first time user to either Webclock or Ontime, you will not have a PIN set up, so click the '*First time user*? *Create a PIN here*' button to create one.

## User Doesn't Have a PIN

wi	ilson Secu	rity			Мо	nday 23 Aug	ust 09:41			Web	Clock
~	2	Enter y	our employ	vee ID @	Login	with your Enter you	password	1			
		1234567	890			••••••			Login		
						Reset my pas	sword 3				
$\odot$	ÿ		GIF		J	6	Ð	Ň	Ļ	ଡ	*
1	2	3	#	4	5	% 6	^ <u>8</u>	8	* 9 (	0)	Del
Q	W	E		R	т	Y	U	I.	0	Р	×
	A	S	D	F	- [	G	н	J	к	L	Go
Ŷ	Z	x		C	V	В	N	М	I	. ?	Ŷ
Ctrl	!#1					English (Al	J)			٩	Þ
			111			0			~		1221

Clicking on either '*Reset my PIN' or 'First time user? Create a PIN here'* buttons will take the user to the above screen.

- 1. The second field will change to 'Enter your password'
- 2. Enter your employee ID and your Wilson Security password
  - a. If the correct password is entered, you will be able to create a PIN (see instructions next page)
- 3. If you have forgotten your password, you can reset your password by clicking the '*Reset my password*' button.
  - a. This button will take the guard to the external link https://passwordreset.wilsongroupau.com/

#### **NOTE!** PINs vs Passwords?

PIN & Passwords are different!

#### Passwords

8 or more characters, mix of numbers and letters. Used to log into Wilson Security software (ie, Younity, OnTime, WNet etc).

#### PINs

4-digit number, created by the user for faster access to OnTime or Webclock. Requires a password for initial set up.

## **Creating a PIN**

	<b>\\\\</b> N	/ilso	n Securi	ity						Mo	onda	ay 23	Aug	ust (	9:41								Web0	Clock	
	÷										C j in	reat to W	te a ebCl	PIN ock i	l Inste										
				(	1	Choos	se a 4	-digit	PIN		2	Re	peat	the s	same	PIN									
					1	Т	Т		Γ		Ī		Γ	Т		Γ									
$\odot$			ÿ				GIF			1	īø				<u> </u>	b			Ļ				ණ		•
	1		2		3	#	4	t V		5	%		6	1.00		7		8	. w		9		0	Del	
	Q		W		Е		F	٢		Т			Υ			U		I			0		Р	$\otimes$	
		А		s		[	D		F			G			н		J			к		L		Go	
	Ŷ		Z		Х		(	;		V			в			Ν		М			, !		. ?	Ŷ	
	Ctrl		!#1									Eng	glish (A	AU)									٩	Þ	
						111							0							$\sim$				1221	

After a correct Password is entered, you will be prompted to 'Create a PIN'.

- 1. Create your PIN by entering a 4 numbers in the first field.
- 2. Repeat this same 4-digit PIN in the second field to confirm the PIN that will be used to log into WebClock and OnTime.

After clicking 'Done', your PIN will be created and you will be presented with the next screen showing your upcoming shift (if any).

## **View Upcoming Shifts**

Today	
09:00 - 20:00	Sign on
ABC Company Pty Ltd 123 Main Street, Melbourne	Shift ready for sign on
New of the	
Tomorrow 19:00 - 06:00	
ABC Company Pty Ltd 123 Main Street, Melbourne	

When you have successfully logged into WebClock, you will land on the upcoming shifts screen.

There are a number of different states that this screen may show depending on when your next shifts are.

- If you have a shift within the next 24 hours, the shift will be highlighted in white.
- If you have a shift starting more than 24 hours later, it will be shown with a white box.
- When your shift is within the required time window (usually +/- 15mins) the 'Sign on' button will highlight green and be clickable.

**EXAMPLE**: for a 9am start time and +/- 15mins time window, you can sign on between 8:45am and 9:15am)

#### NOTE!

The standard time window is +/-15mins however, this may not be the case at the site where you are based.

Time windows may occasionally be adjusted (either longer or shorter) to suit the site requirements or at a customer's request.

## Shift Sign On and Sign Off

bClock

#### At the beginning of your shift:

• Click the green 'Sign on' button

A green tick will appear in its place with a timestamp of the sign on time. This shows you have successfully signed on.

You can now log out of the Webclock application by clicking on the red 'Log out' button.

#### At the end of your shift:

• Click on the green 'Sign off' button

The screen will show that you have successfully signed off from your shift.

You can now log out of the Webclock application by clicking on the red 'Log out' button.

#### NOTE!

Webclock will automatically log out after 5mins of inactivity if you forget to log out after signing on or off.
