

Getting started with OnTime – App Registration

In this guide, you will learn how to get started with the OnTime app.

You'll only need to register once – unless you switch phones!

You will need your Wilson login details handy (EmployeeID number & password)

These log in details will be provided to you by Wilson Security as part of the OnTime app onboarding process.

Logging in and Changing PINs

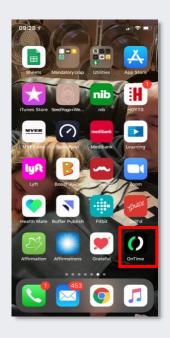

This guide will also show you how to change your PIN.

Using a four-digit security PIN (Personal Identifier Number) to login to OnTime prevents others seeing your work information, but it's still quick and easy for you to gain access.

Sign in, set PIN and login

1. Tap to open the app

 Enter your Employee ID and Password in the 'Sign Up' tab. Tap → / CONTINUE

Create a four-digit PIN, re-enter it and tap → / CONTINUE. If the numbers don't match you'll receive an error.
 Try again.

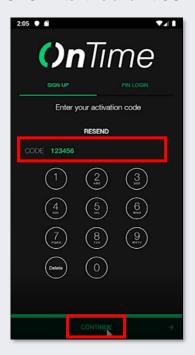

4. Enter your phone no. (10 digits without +61), then tap **CONTINUE**

5. You'll receive an activation code via SMS. Enter this and hit **CONTINUE**

6. Tap **ACKNOWLEDGE**

7. Tap ACKNOWLEDGE

8. You're in, well done!

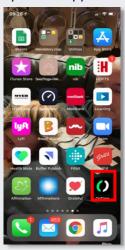

Logging in and Changing PINs

Using a four-digit security PIN (Personal Identifier Number) to log into OnTime makes it quick and easy for you to access the app.

Logging in with your PIN

1. Open the app

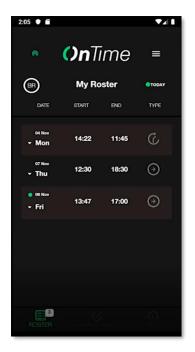

Select the 'PIN LOGIN' tab.
 Enter your four-digit PIN and tap → I CONTINUE.

3. Select ACKNOWLEDGE

4. You're in!

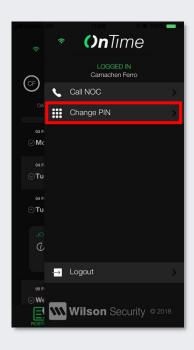

Change your PIN

 When logged into the app, tap the hamburger menu in the top-right

2. Choose Change PIN

3. Enter a new four-digit PIN, re-enter it and tap **Submit**

If the numbers don't match you'll receive an error. **Try again**.

4. Tap **DISMISS**
